“transporter” means a person appointed by an agent, dealer, and/or collector using a

registered vehicle to transport Scrap metal.

Objects and purpose. **3.** The objects and purpose of these Rules is to govern matters relating to dealings in scrap metal.

Application of the Rules. **4.** These Regulations shall, unless otherwise provided for in the Act, apply to collectors, agents, dealers, millers, smelters, transporters and steel fabricators.

PART II – SCRAP METAL COUNCIL

Nomination of Council members. **5.** (1) When nominating members to be appointed to the Council under section 4(1) of the Act, each organization shall submit to the Cabinet Secretary the curriculum vitae of the member being nominated.

(2) When appointing members to the Council, the Cabinet Secretary shall ensure that no more than two thirds of the members are of the same gender and the membership reflects regional and ethnic diversity.

Qualifications of Council members. **6.** (1) A person shall not be appointed as a chairperson of the Council unless that person —

(a) possesses a university degree in metallurgy or other relevant field from a university recognized in Kenya;

(b) has knowledge and relevant experience of not less than ten years in a management position in the public service;

(c) has knowledge and experience of not less than ten years in any of the following fields —

(i) procurement and supply chain management;

(ii) finance;

(iii) law;

(iv) accounting; or

(v) economics; and

(d) meets the requirements of Chapter Six of the Constitution.

(2) A person shall be eligible for appointment as a member of the Council if that person—

(a) holds a university degree from a recognized university in Kenya;

(b) has knowledge and relevant experience of not less than five years in a management position; and

(c) meets the requirements of Chapter Six of the Constitution.

PART III - ADMINISTRATION

Scrap metal
business.

7. (1) A person carries on business as a scrap metal dealer if the person —

(a) carries on a business which consists wholly or partly in buying or selling scrap metal, whether or not the metal is sold in the form in which it was bought, or

(b) carries on business as a motor salvage operator, so far as that does not fall within paragraph (a).

(2) For the purposes of sub rule (1) (a), a person who manufactures articles does not sell scrap metal if that person sells scrap metal only as a by-product of the manufacturing process or where surplus material not required for manufacturing is disposed.

(3) For the purposes of sub rule (1) (b), a person carries on business as a motor salvage operator if the person carries on a business which consists —

(a) wholly or partly in recovering salvageable parts from motor vehicles for re-use or sale and subsequently selling or otherwise disposing of the rest of the vehicle for scrap;

(b) wholly or mainly in buying written-off vehicles and subsequently repairing and reselling them;

(c) wholly or mainly in buying or selling motor vehicles which are to be the subject, whether immediately or on a subsequent re-sale, of any of the activities set out in paragraphs (a) or (b); or

(d) wholly or mainly of any activities falling within paragraphs (a) or (b).

Scrap metal
dealers.

8. (1) Persons dealing in scrap metal shall include agents, collectors, dealers, millers and smelters, automotive dealers and motor vehicle salvage operators.

(2) The respective persons under rule (1) shall pay to the Council the fees set out in the Schedule.

(3) The Council shall publish a list of all persons licensed to deal in scrap

metal in it's website.

Application of
licence.

9. (1) Where a person applies for a licence under section 10 of the Act, before the Council makes a decision, the inspectors appointed under rule 24 shall inspect the proposed business premises and vet the applicants to establish suitability for purposes of licensing.

(2) The licence shall be in respect to the person and premises for carrying on scrap metal dealings.

(3) The application for licence shall specify the following —

- (a) in the case of an individual, the full name, date of birth, copy of ID, Kenya Revenue Personal Identification Number, tax compliance certificate, certificate of good conduct of not more than 6 months, physical location of business, physical address, contact address and telephone/mobile number, and place of residence;
- (b) in the case of a partnership, the name of business, partnership deed, physical location of business, contact address and telephone/mobile number. For each of the Partners, the full name, date of birth, copy of ID, Kenya Revenue Personal Identification Number, Tax compliance certificate, certificate of good conduct of not more than six months, contact address and telephone/mobile number and place of residence;
- (c) in the case of a company, the name and registration certificate, Kenya Revenue Personal Identification Number, tax compliance certificate, company directorship details (CR12), company address and contact details including email, mobile, telephone;
- (d) the physical address (Land Registry Number and the road) at which the applicant carries on the business of collecting, buying, selling or smelting scrap metal;
- (e) details of relevant environmental permit or registration indicating any applicable environmental impact assessment of the business premises and waste management certificate;
- (f) applicant's membership certificate to a business member

organizations;

(4)The application for licensing shall be accompanied by proof of payment of the prescribed fees;

(5)The application shall be submitted to the Council through the Council's website.

Provision relating to copper, aluminum or alloys.

10. (1) A person who intends to deal in scrap copper, aluminum or alloys shall apply to the Council for a licence in accordance with section 10 of the Act.

(2) An applicant for a licence under this rule shall be vetted separately.

(3) A separate register for scrap copper, aluminum or alloys shall be maintained by licensed dealers in copper, aluminum or alloys.

(4) Any premises where dealings in scrap copper, aluminum or alloys scrap shall have strict enhanced features including closed circuit television cameras.

Further information.

11. (1) The Council may at any time request that the applicant provide such further information as the Council considers relevant for the purpose of considering the application for a licence.

(2) If an applicant fails to provide information requested under sub-rule (1), the Council may decline to proceed with the application.

Making false statement.

12. An applicant who in an application or in response to a request under made under rule 10 —

(a)makes a statement knowing it be false in a material particular, or

(b)recklessly makes a statement which is false in a material particular, commits an offence and is liable on conviction to the penalty provided in section 31 of the Act.

Form of licence.

13. (1) A licence issued by the Council under section 11 of the Act shall specify —

(a) the name the licensee;

(b) the business premises authorized for undertaking scrap metal dealings and particular specify the Land registration number and road on which the premises is located; and

(c) date of expiry of the licence.

(2) A licence issued under the Act authorizes the licensee to carry on business on any premises authorized by the Council.

(3) The Council shall issue only one licence with respect to an applicant.

Issue of licence.

14. (1) The Council shall not issue or renew a licence unless it is satisfied that the applicant is a suitable person to carry on business as a scrap metal dealer.

(2) In determining whether the applicant is a suitable person, the Council shall take into account the conditions specified under section 10(4) of the Act.

(3) Notwithstanding the generality of sub rule (2), the Council shall consider the following information —

(a) whether the applicant has been the subject of any relevant enforcement action;

(c) any previous refusal of an application for the issue or renewal of a scrap metal licence and the reasons for the refusal;

(d) any previous refusal of an application for a relevant environmental permit or registration and the reasons for the refusal;

(e) any previous revocation of a scrap metal licence and the reasons for the revocation;

(f) whether the applicant has demonstrated that there will be in place adequate procedures to ensure that the provisions of this Act are complied with.

(4) In determining whether a company is a suitable person as provided in subrules (2) and (3), the Council shall consider whether any of the following officers is a suitable person —

(a) a director of the company; and

(b) the company secretary of the company;

(5) In determining whether a partnership is a suitable person to carry on business as a scrap metal dealer, as provided in subrules (2) and (3), the Council, the Council

shall consider whether each of the partners is a suitable person.

(6) The Council shall take into account any guidance issued by the Cabinet Secretary determining suitability under these Rules.

(7) The Council may consult other entities or persons regarding the suitability of an applicant, including in particular—

- (a) any devolved unit;
- (b) the National Environment Management Authority;
- (c) National Police Service;
- (d) a national government administrative officer;
- (e) an industrial development officer;
- (f) an inspector gazetted by the Cabinet Secretary pursuant to the Act.

(8) Where the applicant has been convicted of a relevant offence, the Council may include in the licence one or both of the following conditions—

- (a) that the dealer must not receive scrap metal except between 9 a.m. and 5 p.m. on any day;
- (b) that all scrap metal received must be kept in the form in which it is received for a specified period, minimum of seven days, commencing on the date when it is received.

Right to make representations.

15. (1) If the Council proposes —

- (a) to refuse an application made for the issuance or renewal of a licence or
- (b) to revoke or vary a licence issued under the Act,

the Council shall give the applicant or licensee a notice which sets out what the Council proposes to do and the reasons for it.

(2) A notice under sub rule (1) shall state that, within the period specified in the notice, the applicant or licensee may either—

- (a) make representations about the proposal, or
- (b) inform the Council that applicant or licensee wishes to make representations.

(3) The period specified in the notice shall be not less than fourteen days from the date on which the notice is given to the applicant.

(4) The Council may decline the application for a licence, or revoke or vary the licence, if —

(a) within the period specified in the notice, the applicant or licensee informs the Council that he or she does not wish to make representations, or

(b) the period specified in the notice expires and the applicant or licensee has not made representations or informed the Council that he or she intends to make the representations.

(5) Where, within the period specified in the notice, the applicant or licensee informs the Council that he or she wishes to make representations, the Council —

(a) shall allow the applicant or licensee a further reasonable period to make representations, and

(b) may refuse the application, or revoke or vary the licence, if the applicant or licensee fails to make representations within that period.

(6) If the applicant or licensee makes representations within the period specified in the notice or within the further period under sub rule (5), the Council shall consider the representations.

(7) If the applicant or licensee informs the authority that he or she wishes to make oral representations, the Council shall give the applicant or licensee the opportunity of appearing before and being heard by the Council.

Notice of
decision of
Council.

16. (1) Where the Council declines to issue a license under section 10(3) and (4) of the Act, the Council shall notify the applicant of the refusal and reasons for the refusal within thirty days from the date of the submission of the application.

(2) The notification under sub rule(1) shall give the applicant fourteen days from the date of the notice to lodge an appeal to the Cabinet Secretary.

(3) A notice under this rule shall state —

(a) that the applicant or licensee may appeal against the decision of the Council;

- (b) in the case of a revocation or variation, the date on which the revocation or variation is to take effect.

Appeal to the
Cabinet
Secretary.

17. (1) Pursuant to section 10(4) and 14 of the Act, an applicant may appeal to the Cabinet Secretary where the Council —

- (a) refuses to grant or renew a licence;
- (b) imposes a condition on the licence.

(2) A licensee may appeal to the Cabinet Secretary against—

- (a) the inclusion in a licence of a condition; or
- (b) the revocation or variation of a licence.

(3) An appeal under this rule shall be made within twenty one days of receipt of the notice of the decision of the Council by the applicant.

(4) The Cabinet Secretary may —

- (a) confirm, vary or reverse the Council's decision; and
- (b) give such directions as it considers appropriate.

(5) The Council shall comply with any directions given by the Cabinet Secretary under sub rule (4).

Term of licence.

18. (1) Pursuant to section 11 (b) of the Act, a licence expires at the end of the period of one year beginning with the day on which it is issued or renewed.

(2) Where an application to renew a licence is received before the licence expires, the licence continues in effect and —

- (a) if the application is withdrawn, the licence expires at the end of the day on which the application is withdrawn;
- (b) if the application is denied, the licence expires when an appeal under section 15 is finally determined or withdrawn;
- (c) if the licence is renewed, it expires at the end of the period of one year beginning with the day on which it is renewed.

Variation of
licence.

19. (1) The Council may on application vary a licence if there is a change in licensed business premises as provided in sections 11(d) and 13(2) of the Act.

(2) The application shall contain particulars of the changes to be made to the license.

(3) The applicant shall pay the prescribed fees set out in the Sixth Schedule to the Act.

(4) A licensee who fails to comply with this rule commits an offense and is liable on conviction to the penalty set out section 20(4) of the Act.

(5) It is a defense for a person charged with an offence under this rule to prove that he or she took all reasonable steps to avoid committing the offence.

Revocation of licence.

20. The Council may revoke a licence issued under this Act where—

(a) the licensee is an undischarged bankruptcy or a company is in liquidation process;

(b) the business premises are not suitable for carrying out scrap metal business and the applicant has not demonstrated that there will be adequate procedures in place to ensure that the provisions of the Act shall be complied with; and

(c) the licensee makes a statement knowing it is false in the application for licensing; and

(d) the licensee prevents inspectors from accessing the business premises.

Notification requirements.

21. (1) An applicant for a licence, renewal or variation of a licence, shall notify the Council of any changes which materially affect the accuracy of the information which he or she has provided relating to the application.

(2) A licensee who is no longer carrying on business as a scrap metal dealer in the premises authorized by the Council shall notify the Council of that fact.

(3) Notification under sub rule (2) shall be given within twenty eight days of the change in sub rule (2).

(4) Where a licensee carries on business under a new name, the licensee shall notify the Council of any change to the name.

(5) Notification under sub rule (4) shall be given within twenty eight days of the change of name.

(6) An applicant or licensee who fails to comply with this rule commits an offence and is liable on conviction to the penalty provided in section 20(4) of the Act..

(7) It is a defence for a person charged with an offence under this rule to prove that the he or she took all reasonable steps to avoid committing the offence.

Display of licence.

22. (1) A licensed dealer shall conspicuously display a copy of the licence at each site specified in the licence.

(2) A licensed dealer who fails to comply with sub rule(1) commits an offence and is liable on conviction to the penalty provided in in section 31 of the Act.

Display of signboard.

23. (1) Pursuant to section 16 of the Act, every licensee shall conspicuously display a signboard within his or her premises which shall —

- (a) display the full business name of the licensee, address and contacts;
- (b) display the licence number;
- (c) be a minimum of 6ft in width and 4ft in height; and
- (d) display the logo of the Council.

(2) This rule shall not apply to a person who internally generates scrap metal as a result of their internal processes.

Verification of suppliers identity.

24. (1) A licensed dealer shall not receive scrap metal from a person without verifying the person's full name and address.

(2) That verification shall be by reference to documents, data or other information obtained from a reliable and independent source.

(3) Where a licensed dealer receives scrap metal in breach of sub rule (1), each of the following commits an offence—

- (a)the licensed dealer;
- (b)if the metal is received at a site, the site manager;
- (c)any person who, pursuant to administrative arrangements made by the person set out in paragraphs (a) or (b) has responsibility for verifying the

name and address required under sub rule (1).

(4) It is a defence for a person who is charged with an offence pursuant to sub rule (3) to prove that he or she —

(a) made arrangements to ensure that the metal was not received in breach of sub rule (1), and

(b) took all reasonable steps to ensure that those arrangements were complied with.

(5) Any person who fails to comply with this rule commits an offence and is liable on conviction to the penalty provided in section 18(3) of the Act.

(6) A person who, on delivering scrap metal to a licensed dealer, gives a false name or false address commits an offence and is liable on conviction to the penalty provided in section 18(3) of the Act.

Presumption as to records.

25. Every entry required to be prepared or kept under rules 26 and 27 shall be deemed, unless the contrary is shown, to have been made with the authority of the respective licensee.

Record of receipt of scrap metal by licensee.

26. (1) This rule applies if a licensed dealer receives any scrap metal in the course of the dealer's business.

(2) All licensed dealer shall keep records of all receipts of any scrap metal acquired or disposed in the course of the business.

(3) The licensed dealer shall record the following information—

(a) the description of the metal, including its type or types if mixed, form, condition, weight and any marks identifying previous owners or other distinguishing features;

(b) the date and time of its receipt;

(c) if the metal is delivered in or on a vehicle, the registration details of the vehicle, personal identification details and mobile phone contacts of the driver;

(d) if the metal is received from a person, the full name, ID copy, mobile contacts and address of that person;

(e) if the dealer pays for the metal, the full name of the person who

makes the payment acting for the dealer;

- (f) previous use of the scrap metal;
- (g) the consideration of the transaction.

(4) Every entry shall be made at the time of the transaction.

(5) The record shall be —

- (a) signed by the licensee and person delivering the scrap metal;
- (b) availed for inspection by an authorized person whenever required.

(6) The licensee shall make returns to the Council quarterly at least ten days after the end of each quarter.

(7) No licensee shall allow scrap metal whose origin is unknown into his or her licensed premises or otherwise.

(8) The licensee shall keep this record for a minimum of seven years.

(9) Any licensee who fails to comply with this section commits an offence and is liable on conviction to a fine in accordance with section 23(2) of Act.

(10) The licensed scrap metal operators will be expected to automate their record keeping systems for real time monitoring and submission of returns to the Council within one year from the date of the issue of first license.

(11) Where a licensed dealer pays for the scrap metal by —

- (a) cheque, the licensed dealer shall keep a copy of the cheque;
- (b) electronic transfer, the licensed dealer shall keep the receipt identifying the transfer, or if no receipt identifying the transfer was obtained, the licensed dealer shall record particulars identifying the transfer.

(12) All transactions of scrap metal shall be cashless.

Records for the disposal of metal.

27. (1). All licensed dealers shall keep records of all disposals of any scrap metal in the course of business.

(2) All disposals of scrap metal shall be made to licensed dealers.

(3) The licensed dealers shall record the following information—

- (a) the license number of the person/business the scrap is disposed to;
- (b) the description of the scrap metal, including its type (or types if mixed), form, condition, weight and any marks identifying previous owners;
- (c) the date and time of disposal;
- (d) where the scrap metal is ferried in or on a vehicle, the registration details of the vehicle, ID details and mobile phone contacts of driver; and
- (e) the consideration for the transaction.

(4) Every entry required to be made shall be made at the time of the transaction.

(5) The records shall be signed by the licensee and person/business purchasing the scrap metal.

(6) The record shall be availed for inspection by an authorized person whenever required.

(7) The licensee must make returns to the Council quarterly, at least ten days after end of each quarter.

(8)The licensee shall keep this record for a maximum of seven years.

(9) Any licensee who fails to comply with this section commits an offence and is liable on conviction to the penalty provided in section 18(3) Act.

(10)The licensed dealers will be expected to automate their record keeping systems for real time monitoring and submission of returns to the Council within one year from the date of the issue of first license.

Records
identification.

28. (1) The information referred to in rules 26 and 27 shall be recorded in a manner that allows the information and the scrap metal to which it relates to be readily identified by reference to each other.

(2) The records in section sub rule (1) shall be marked so as to identify the scrap metal to which they relate.

(3) The dealer shall keep the information and other records referred to in this rule for a period of three years from the day in which the metal is received or as the case may be, disposed of.

(4) If a licensed dealer fails to comply with this rule each of the following commits an offence —

(a) the scrap metal dealer;

(b) if the metal is received at or as the case may be, dispatched from a site, the site manager;

(c) any person who pursuant to administrative arrangements made by the person set out in paragraphs (a) or (b) has responsibility for fulfilling the requirement.

(5) It is a defense for a person who is charged with an offence pursuant to rule (4) to prove that he or she —

(a) made arrangements to ensure that the requirement was fulfilled, and

(b) took all reasonable steps to ensure that the arrangements were complied with.

(6) A person who fails with this rule commits an offence and is liable on conviction to the penalty set out in section 18(3) of the Act.

Critical National
Infrastructure.

29. (1) A state entity responsible for its respective critical national infrastructure shall dispose scrap metal from critical national infrastructure to the Numerical Machining Complex for smelting into billets.

(2) Where there is inadequate capacity at the Numerical Machining Complex, the respective state entity through a written consent from the Numerical Machining Complex, shall seek approval from the Council to partner with a local smelter directly without involving a broker.

(3) The Council shall coordinate the training of licensed dealers and inspectors on matters relating to scrap from critical national infrastructure shall be conducted and the training shall be a requirement for the licensing of dealers.

(4) Any scrap metal operators found dealing with scrap metal from public infrastructure and utilities and stolen private property, shall have their license cancelled or revoked with immediate effect and prosecuted.

(5) In the event that a licensed dealer comes into possession, control, offered, or is shown any property fitting the description of vandalized infrastructure, utilities

or stolen private property, the licensee shall immediately report such incident to the nearest Police Station or inspector, and supply the following information —

- (a) name
- (b) identity number
- (c) mobile number; and
- (d) address of the person /business acquired or saw such property.

(6) Any person or licensed dealer who contravenes this rule commits an offence and is liable on conviction to the penalty provided in section 24(2) of the Act.

Appointment of inspectors.

30. Pursuant to section 29(3) and (5) of the Act, the Cabinet Secretary may by Notice in the Gazette appoint public officers from the following entities to be inspectors for purposes of the Act —

- (a) National Police Service;
- (b) Kenya Railways Corporation;
- (c) Kenya Electricity Transmission Company Limited;
- (d) Kenya National Highways Authority;
- (e) Kenya Urban Roads Authority;
- (f) Communications Authority of Kenya;
- (g) Kenya Revenue Authority;
- (h) National Government Administrative Office;
- (i) Office of the Director of Public Prosecutions;
- (j) National Environment Management Authority; and
- (k) Kenya Power and Lighting Company.

Closure notice.

31. (1) An inspector may issue a closure notice where he or she is satisfied that the business premises where scrap metal business is being undertaken is not licensed.

(2) The notice issued under sub rule (1) shall —

- (a) specify the reasons for issuing the notice;
- (b) indicate that the inspector may apply to the court for a closure order.

(3) The inspector shall issue the closure order to —

- (a) the person who appears to the inspector to be the site manager of the

premises, or

(b) any person who appears to the inspector to be a director, manager or other senior officer of the business in question and also uploaded the official website of the Council.

(4) Notwithstanding sub rule (3), the inspector may give the notice to any person who has an interest in the premises.

Cancellation of closure notice.

32. (1) The Council may cancel a closure notice issued by an inspector.

(2) A cancellation notice takes effect when it is given to any one of the persons to whom the closure notice was given.

(3) The cancellation notice shall be issued to any other person to whom the closure notice was given and uploaded on the official website of the Council.

Application for closure order.

33. (1) Where a closure notice has been given under these Rules, an inspector may make an application to the court for a closure order.

(2) An application under this rule shall not be made—

(a) less than seven days after the date on which the closure notice was given, or

(b) more than six months after that date.

(3) A application under this rule shall not be made if the inspector or Council is satisfied that —

(a) the premises are no longer being used by a licensed dealer to undertake scrap metal business, and

(b) there is no reasonable likelihood that the premises will be used undertake scrap metal business in the future.

Closure order.

34. (1) The Court may grant a closure order pursuant to the application under rule 33 where it is satisfied that —

(a) the premises continue to be used by a scrap metal dealer in the course of business, or

(b) there is a reasonable likelihood that the premises will be used to undertake scrap metal in the future.

(2) A closure order may require—

- (a) that the premises be closed immediately to the public;
- (b) that the use of the premises for scrap metal business scrap metal be discontinued immediately; and
- (c) that the defendant pays into court such sum as the court determines and that the sum will not be released by the court until the other requirements of the order are met.

(3) A closure order may include such other conditions as the court considers appropriate relating to —

- (a) the admission of persons onto the premises;
- (b) the access by persons to another part of any building or other structure of which the premises form part.

(6) As soon as practicable after a closure order is made, the complainant shall fix a copy of the order in a conspicuous position in the premises.

Discharge of closure notice by court.

35. (1) Any of the following persons may by apply to the court for an order that a closure order be discharged —

- (a) any person to whom the closure notice was given under these Rules;
- (b) any person who has an interest in the premises but to whom the closure notice was not given.

(2) The court may not make a discharge order unless it is satisfied that there is no longer a need for the closure order.

Appeal of closure order.

36. (1) An appeal may be made to the court against—

- (a) a closure order;
- (b) a decision not to make a closure order;
- (c) a discharge order;
- (d) a decision not to make a discharge order.

(2) Any appeal under this rule shall be made within twenty one days from the day on

the order or the decision was made.

(3) An appeal under this section against a closure order or a decision not to make a discharge order may be made by —

- (a) any person to whom the relevant closure notice was given under section 35;
- (b) any person who has an interest in the premises but to whom the closure notice was not given.

Enforcement of closure order.

37. (1) A person is commits an offence if the person, without reasonable excuse, —

- (a) permits premises to be open in contravention of a closure order, or
- (b) otherwise fails to comply with, or does an act in contravention of, a closure order.

(2) If a closure order has been made in respect of any premises, an inspector may —

- (a) enter the premises at any reasonable time, and
- (b) having entered the premises, do anything reasonably necessary for the purpose of securing compliance with the order.

(3) Sub rule (4) applies if an inspector seeks to exercise powers under this section in relation to any premises.

(4) If the owner, occupier or other person in charge of the premises requires the inspector to produce—

- (a) evidence of the an inspector's identity, or
- (b) evidence of the an inspector's authority to exercise those powers,

the inspector shall produce that evidence.

(5) A person who intentionally obstructs an inspector in the exercise of powers under this rule, commits an offence and liable on conviction to the penalty provided in section 30(6) of the Act.

Transportation of scrap metal.

38. (1) Every licensed dealer shall carry a certified copy of the licence of the licensed dealer and the recipient of the scrap metal on any vehicle that is being used to transport any scrap metal.

(2) Copies of the certified licenses shall be provided when requested by an inspector.

(3) The vehicle shall have an authorization letter from the licensee indicating the

- (a) source of the scrap and destination;
- (b) type and quantity of scrap metal; and
- (c) name, ID and contact details of the driver.

(4) The details in sub rule(3) shall be submitted online on the Council's portal.

(5) Every licensed dealer shall comply with the prescribed hours of operation between half-past six o'clock in the morning and half-past six o'clock in the evening for the purposes of transporting scrap metal.

(6) A scrap metal operator who does not comply with this rule commits an offence and is liable on conviction to the penalty provided in section 31 of the Act.

PART IV - MISCELLANEOUS

Business member organizations.

39. (1) Every licensed dealer shall be a registered member of a business member organizations.

(2) Each business member organization shall submit to the Council the membership list, database and returns annually.

(3) Each business member organization shall establish self-regulating mechanisms to prevent and regulate trade in scrap metal from vandalized public infrastructure and utilities and stolen private property.

(4) Each business member organization shall create awareness to all its members on relevant laws on dealings in scrap metal.

Restriction in export of scrap metal.

40. (1) Upon authorization by the Cabinet Secretary responsible for matters relating to finance in consultation with the Cabinet Secretary for matters relating to industrialization, for the export of scrap metal, the Council may issue an export licence to a licensed dealer for a period of six months from the date of issue specifying the monthly quotas for the scrap metal to be imported or exported.

(2) The Council in collaboration with the Kenya Revenue Authority shall verify and issue consignment permits to scrap metal exporters.

(3) The permit shall specify the nature, quantity and consideration of scrap metal to ensure compliance with the set export quotas.

(4) The Council through the Ministry of Industrialization shall work with other government agencies to develop an incentive framework to promote investments to process the scrap metal and add value before export.

Creation of awareness.

41. The Council shall pursuant to section 6(1)(ii) and (v) of the Act, conduct public awareness campaign —

- (a) for all stakeholders including scrap metal dealers on matters of licensing, transportation, record keeping and prevention of vandalism and theft; and
- (b) government departments and the general public on the handling, reporting and prevention of vandalism and theft of public infrastructure utilities and private property.
